

# MEGAPHONES

*Go Blue!*

Your daughter will be receiving her megaphone and we wanted to give you the information regarding the painting of the megaphone. The megaphone comes white and unpainted. We have given the painting and priming information below. You can hire an artist (suggested artist listed below), have someone else do it, or your daughter may paint and decorate her own. You are in no way obligated to use the artists mentioned below. They all have painted megaphones in the past and do a great job. We do not recommend waiting too long to make an appointment after receiving your megaphone. The girls must have their megaphones finished by box/stool rehab day on August 17th.
